AUTISM SOLUTIONS ~ Bringing the Pieces Together

**Parents of Special Needs Children:
Autism, PDD, Aspergers, ADD, ADHD, Anxiety,
Emotional Problems, etc...**

Our group is opening our ANGEL wings to families, because the need is so great in our community. Our group is a place where parents, teachers and professionals can come together and talk about the challenges we go through every day. It's a place to give and get support, and get to know other families going through the same things you are. We share information about the disorders, what works and what does not. We share many resources and raise awareness in our community. We have speakers on a variety of topics through-out the year. We welcome all who need support!

***Our Meetings are the 3rd Mondays of the
month at the White House in Richland
Center***

7 – 8:30pm (free & confidential)
